## Second dose of Covid vaccine clinic on Wed, June 9 from 1 - 7 pm

The Sacramento City Unified School District in partnership with Dignity Health will be sponsoring a clinic on Wednesday, June 9th to provide the second dose of the Covid vaccine to people who received the first dose two weeks ago.

Those people who received the first dose are automatically registered for the second dose. The clinic is open from 1 - 7 pm.

Volunteers are needed to assist with the upcoming clinic. Each clinic takes about 100 volunteers from translators, parking, registration, line navigation, charting vaccines, and more. We especially need language capacity in all roles – when you register please let us know any languages you speak. Please speak with your supervisor about volunteering during work hours – we need all the support we can get!

Use the link below to sign-up for one of these non-medical roles. Once registered, you will receive an email with any additional details.
