OPERATIONS

*Average daily substitutes was high this week because we had majority of our teachers attending Kagan Training on Tuesday and Wednesday.

The canopy in front of the school is scheduled to be completed in two weeks. Once that is completed, the school front doors by the auditorium will be open, While the office is not completely set up yet, please come and explore the new spaces and discover where everyone is. We are working on signage to direct students and community. The staff lounge is great and mail boxes will be set up soon! This is an exciting time for the school as we have been watching this construction for months!
