Warriors return to campus after being “Distant”

Hiram Johnson students returned to campus for the first time in approximately 14 months on Thursday. Students and families have chosen to return to in-person learning or remain in distance-learning. The group of students who chose to return were divided into two cohorts. Cohort “A” students will attend on campus on Tuesdays and Wednesdays. Cohort “B” students will be on campus Thursdays and Fridays. All students will be in distance learning on Mondays.

Mr. Zelaya teaches Spanish with concurrent instruction. Students at home were able to log in with Zoom to attend the same class as students who were in person learning on campus.

Students were spaced out as they waited in line to enter campus. All staff and students must be scanned for temperature before entering campus.
