Vaccine clinic to be on HJ campus May 19

Hiram Johnson will be working with Dignity Health to provide vaccinations to anyone 12 or older.

A two-dose vaccination will be offered starting on Wednesday, May 19. The clinic will begin at 1 pm and run into the evening.

Recipients will need to register for a time and then return on June 9th for the second dose.

Dignity Health and the Sacramento City Unified School District will be looking for staff and community members who are interested in volunteering to make this event a huge success.

The clinic is open to the community – so anyone can register – the plan at this point is to get the word out to the Johnson community first for registration. Johnson will be attempting to help by promoting the benefits of the vaccination. Schools are trusted communications – and our words and actions can provide a great public health benefit.

It would be amazing to get some school staff to volunteer so that students and families would see familiar faces. There will be about 32 non-medical positions to staff- with a particular need for translation.

Please let us know if you are able to volunteer in any capacity to make the vaccination clinic a success here at Hiram Johnson.

Dignity Health will partner with SCUSD to offer vaccinations on the Hiram Johnson campus. The two-dose vaccines will be provided on May 19 and June 9.
