## Virtual Back to School Night Sept 24

Hiram Johnson High School will host its Back To School Night virtually on Thursday, September 24.

Teachers will provide video overviews for students and families and be available on Zoom.

Parents and guardians will be able to log in to Zoom sessions

in the same manner in which students do for classes. Videos will be released and made available at 5 pm Thursday.

Zoom sessions will start at 6 pm for 1st period and every 15 minutes the next question and answer session will begin until we finish at 7:30 pm.

## Book Distribution

Make-up days for textbook pick up are Monday, September 21 from 3-6pm and Tuesday, September 22 from 8am - 12pm.

Any student who did not pick up textbooks should come on one of those days. We will be able to help all students on those 2 days.

## Schedule issues and concerns

We have heard from many about the confusing schedule that began following our first 2 days of school. We understand the concerns as we have heard them from many perspectives.

At this point the district and school are still messaging that school begins the same time as it did when we were on campus, 8:20 am. And while we know that some teachers are available at that time, we are caught in the middle of the teachers' union and the

district negotiations and realize that many of the teachers are not available at that time.

While we are deeply apologetic about the confusion and disruption to our students, we are forced to wait out the negotiations.

If you have any concerns that we can assist with, please email us at [hiram-johnsonhs@scusd.edu](mailto:hiram-johnsonhs@scusd.edu) so we can try to help.
