PTSA

There are people working very diligently to support our Warriors, both students and staff.

We have a PTSA in good standing for the first time in over a decade because of this group's work. While the groups started out small last year, they are powerful supporters of Hiram Johnson High School. We need to increase 15 members by November 15 to be in good standing. Let's shoot for 3 times that. Please sign up as a show of support for those who have committed to this effort!
