WASC results!

GREAT JOB TEAM WITH THE WASC VISIT!!!
 Strengths that were validated by the visiting team:
 HJHS is a school with deep core commitment to the potential of all students regardless of background or present levels.

1. Emerging school culture positive.
2. PDSA model showing success in creating curricular alignment and coherence
3. Mission, vision, and SLOs reflect broad input from stakeholders
4. Increased engagement from parent and community groups
5. Emerging coherence between mission, vision, and SLOs with collaboration and professional learning
6. Kagan strategies, NGSS-implementation, and co-teaching (Deb Stetson; GEAR UP) providing strategies to increase academic rigor
7. Positive school climate: safe, attractive environment with caring adults
8. Coherent allocation of resources is aligned with critical areas of need and school goals.
9. Emerging schoolwide strategies/initiatives (PRIDE, DoL, First 5, e.g.) noticed and appreciated by students

LO of the week from Mrs. Seuthe
Students compare similarities and differences of public and private k-12 and or higher education in the US and in Spanish speaking country (Argentina)

WEEKLY HIGHLIGHTS

SAT School Day is Wednesday, March 3
Student testing lists posted by counseling and on doors of classrooms.

Kagan Strategy of the Month for March!
Numbered Heads Together first then, Showdown!
Showdown is more student run vs Numbered Heads together which is teacher driven.

DoL is HERE!

Monday March 2-DoL student invites passed out during second period
 Tuesday March 3-DoL Mentor Day-rally schedule to meet your DoL group and make and give them some guidance
 Wednesday March 25-DoL Sophomore presentations
 Look for lists and lesson plans in email and google classroom!

Average Daily Absences for all Staff this Week

Hiram Johnson Ethnic Studies courses have partnered with the Sacramento State Ethnic Studies Department to create a partnership to enhance our classes and support students. This partnership is known as the "65th Street Corridor Project". These Sac State Volunteers are helping tutor and mentor students in Ethnic Studies classes and also sharing their personal journeys from their early years of education to where they are now. These Sac State tutors represent and relate to our students' population, and set an example that our Warriors can achieve similar goals and achievements as our fellow Hornets. These tutors have a passion to support and share their experiences with our students and help them in any way to improve their education.

67 New students enrolled at HJHS since January 2020.

69 Students disenrolled from HJHS since January 2020.

From the Counseling Office

March 10th-Los Rios Step 2: In Person Orientation for Seniors

Students who have completed the application will have the opportunity to complete step 2 of the matriculation, which is the In Person Orientation. This is a 30-40 minutes presentation which will allow students to learn all about Sac City and what they need to know to be prepared before they attend school in the Fall.

March 11th-Mien Conference at Sac State
March 18th-What's next Step: Sac State Presentation

of parent conferences

CLIMATE OFFICE REMINDERS

We continue to refine our tardy procedures with our Climate Office team every week. This week we noticed a trend in students were tardy regularly but not on the list.

Please help us by marking the appropriate students tardy when they arrive to class after the bell has rung.

Your presence in the doorway of the classroom is so appreciated and really makes an impact! We appreciate your help greatly and hope that we can increase the amount of doors that are open and teachers who are present to encourage our students to be on time every day!

ATHLETICS HIGHLIGHTS

Girls softball has a new batting cage!
