## Learning Hubs start on campus

Learning hubs have begun on Hiram Johnson's campus. The ASSETS program led by David Truong have opened rooms to allow students to participate in distance learning while on site.

Office staff, special education teachers and counselors all worked to identify and recruit students who could benefit from a classroom environment to attend their classes.

An electronic application was sent out and health and wellness screenings take place before any students passes on to campus.

The hubs are open during distance learning classes. Monday students may be on campus from 8-2:30 and Tuesdays through Friday students are on campus from 9:30 - 3:15

## Free PSAT for Juniors - January 26, 2021

If all goes according to plan, juniors will have the opportunity to take the PSAT on January 26, 2021. Test administration will be in-person on campus. Safety guidelines will be closely observed. Students can indicate their interest to take the test by completing this [Google Form](#). Their responses will give us the needed data to order test materials, secure proctors, and arrange classrooms to support a successful test administration.

## Thank you very much Ms. Bucio

Assistant Principal Leticia Bucio has become the principal of Health Professions High School in our district. We would like to thank her for her many years serving the Hiram Johnson community, first as a counselor and then as an administrator. Thank you and best wishes.
