Track & field adds opportunities for students to participate

Athletes will now be able to compete in the pole vault event at Hiram Johnson track meets.

As track and field is one of the few sports that students have been allowed to participate in during Covid protocols, the school has invested in a pole vault pit and apparatus.

The track and field team has been working out in preparation for its first competition. Johnson had been able to provide opportunities for sprinters and distance runners, long and high jumpers, shot put and discus throwers, but did not have the equipment to pole vault. As track and field competes, gaining points in the pole vault competition will allow the Warriors to score through pole vault.

Hiram Johnson athletics invested in a pole vault kit as track and field is one of the outdoor sports Warrior athletes are allowed to participate in.

Graduation and Awards Night for seniors announced

The Class of 2021 at Hiram Johnson High School will have a graduation ceremony and an Awards Night.

The graduation ceremony will take place Monday, June 14th at Sutter Health Field, home of the Rivercast minor league baseball team in West Sacramento. Each graduate will receive three tickets to the ceremony. Gates will open for families at 5 pm and the ceremony will begin at 6 pm.

The Senior Awards Night will take place on Tuesday, June 8 on campus. Award recipients will be divided into five groups based on the counselor caseload. Students and families will first be scanned for Covid protocol and then gather in an open space. As each group prepares for their award, families will be permitted to wait in the quad to see their student announced and be able to take photos. After students have crossed the stage, they and their families will leave to create space for the next group of students.

Groups of students will be no larger than 25 or 30. Spacing will be required of participants and spectators.
