Defense of Learning

What is Defense of Learning? In place of the Senior Project as a graduation requirement, Hiram Johnson High School is making a shift to a capstone event called Defense of Learning (or DOL) that helps change student's way of thinking from just doing an assignment for a grade to thinking deeply about an assignment, creating authentic products, reflecting on their work and developing skills that will best prepare them for any college or career path they choose. The guiding question we want students to be able to answer through DOL is "How will the content knowledge and skills that you have developed help you prepare for the future that you see for yourself?"

PSAT (Preliminary SAT) and SAT Testing

ALL 9th, 10th, 11th graders at HJHS will take the PSAT on October 16, 2019.

ALL 11th graders at HJHS will take the SAT on March 25, 2020.

Students will be able to see how they compare with others applying to college. Students who checked "yes" to Student Search Service will also receive information from colleges.

Advanced Placement (AP) Program

Hiram Johnson currently offers AP classes in English, mathematics, social science, science, world language, and art. Through AP college-level courses and exams, students may earn college credit, advanced placement, and stand out in the admissions process. Repeating Courses

Student shall receive credit for passing a course only one time. Only some courses are repeatable such as PE. When a student repeats a course, the highest grade on the transcript will be used for GPA calculations.

Report Cards and Progress Reports

Report cards and progress reports are issued on a quarterly basis (every 9 weeks). Quarter one (first) and Quarter 3 (third) are not final grades. The grades serve to inform students and parents/guardians of academic progress at the midpoint of the semester. Final grades (semester) depend on how well the student did throughout the semester and will be posted to the transcript. Students only receive 5 credits for passing semester grades (D or better). A grade of D does not qualify for A-G requirements.

Progress/Deficiency notifications are issued to students for students who are failing or working below grade expectations three weeks prior to the end of a grading period.

Graduation Information

Total Number of Credits Required to graduate: **225** Credits

Students must have met all the graduation requirements to receive a diploma. Students should work closely with their assigned counselor to make sure that they are completing all requirements for graduation. Transcripts will reflect the graduation date of the end of the semester. Graduation ceremony for all students that have completed requirements for the 2019–2020 school year will be June 11, 2020.

Graduation ceremony participation (walking the stage) is a privilege, not a right. Administration can exclude any student from the graduation ceremony.

Transcripts

Student transcripts list all the courses taken and credits earned. Students can request a copy of their transcript through the Registrar's Office.

State Testing and Reporting

All public school students in grade 11 participate in the online CAASPP tests in English and Math and all students in grade 12 participate in the CAST test in Science. These interactive tests require students to analyze information, use technology, solve challenging problems, write explanations and defend their answers. The tests were designed to help schools identify learning gaps and better support students.

California State University – Early Assessment Program (CSU – EAP)

The Early Assessment Program (EAP) is a collaborative effort among the State Board of Education (SBE), the California Department of Education (CDE) and the California State University (CSU). The program was established to provide opportunities for students to measure their readiness for college-level English and mathematics in their junior year of high school, and to facilitate opportunities for them to improve their skills during their senior year. The EAP test is embedded in the California Assessment of Student Performance and Progress (CAASPP) 11th-grade English Language Arts/Literacy and mathematics.

English Language Proficiency Assessments for California (ELPAC)

The English Language Proficiency Assessment for California (ELPAC) is the successor to the California English Language Development Test (CELDT). The ELPAC is the required state test for English language proficiency (ELP) that must be given to students whose primary language is a language other than English. The ELPAC is comprised of two separate ELP assessments: Initial ELPAC—an initial identification of students as English learners and Summative ELPAC—an annual summative assessment to measure an English learner's progress in learning English and to identify the student's ELP level. The results help to determine student placement in courses.

Eligibility Requirements for Extra-Curricular Activities / Athletics

In order to participate in extra and/or co-curricular activities, each student must meet specific eligibility requirements. Eligibility is based on the following standards:

- Scholastic - 2.0 or better (2.51 or better with no 'F' for ASB/Class Office) and earning a minimum of 20 credits per semester.
- It is the responsibility of the teacher/sponsor/coach involved to exclude any student from an activity when the student is suspended or ineligible.
- Teachers will not change grades to make a student eligible for any activity.
- Eligibility is established on the second Monday following the end of the grading period.
- Participation in any extra-curricular activity is a privilege and the administrative staff may revoke it at their discretion.

Athletics

Hiram Johnson is in the Greater Sacramento League, which is part of the CIF's Sac-Joaquin Section. Please see the school website(hiramjohnson.net) or the Athletic Director for a current list of teams and information on signing up to participate as a Warrior on the field, court, or in the pool. Athletic Director: Nathan Oltmanns (Nathan-Oltmanns@scusd.edu) (916) 395-5070, Extension 505071.

The Athletic Director will ensure that team rosters and game schedules are made available. Students participating in athletics are responsible for requesting assignments and completing them according to the teachers' timelines.

Activities Director: Lesley Gower (Lesley-Gower@scusd.edu) (916) 395-5070, Extension 505032

Association of Student Body (ASB)/Student Leadership

The ASB is responsible for student governance representing student interests at Hiram Johnson. The ASB organizes school activities such as Spirit Week, Rallies, Junior Prom, Senior Ball, School Dances and other campus wide student activities. It is a great opportunity for students to learn leadership skills while building school spirit. In addition, students can choose to join several clubs on campus that meet their area of interest.

Assemblies and Rallies

Assemblies and rallies are held to build a strong campus culture and inform students about important topics. Students are to be respectful and engaged during the performance/presentation. Improper behavior will result in student removal and detention assignment. Students are to go to the assembly with their teachers.

Dances

Attendance at HJHS dances is a privilege. Hiram Johnson dances are for HIRAM JOHNSON students only, except for Homecoming and Prom, unless otherwise stated. Non-Hiram Johnson students must be under 19 years of age, approved by the administration, and accompanied by a Hiram Johnson student. Students must have a current Hiram Johnson photo ID (school ID or state issued ID for non-Hiram Johnson students) to purchase tickets and attend any dance. For all dances there will be an established “must arrive by” time and a “cannot leave before” time to ensure student safety and accountability. Please see the specific times for each dance.

After School Safety and Enrichment for Teens Program (ASSETs)

Need help with your homework? Want to join an activity club? Come join the Hiram Johnson ASSET After School Program. We provide academic support and enrichment programs for all students. Students can attend academic support/tutoring programs to improve grades and/or join one of Johnson’s many clubs. Students receive snacks during the afternoon break. The ASSETs program is located in C3 from 3:20-6:20 (Mon, Tues, Wed, Fri) and 2:20-6:00 (Thurs).

Attendance Policies and Procedures

All students are expected to attend every class on time every day. Truant, unverified, unexcused, excessive absences or tardies affect the students’ education and increase the chances for failure. Re-admit

If a student is going to be late or absent, or has been absent, call the Attendance Office on our 24-Hour Recorder, (916) 395-5070 ext. 505031 or bring in a signed note by a parent/guardian, communicate in person, or report through the website (hiramjohnson.net) Students have a total of 3 school days following an absence to clear it.

Early Dismissal

Please send a note or call the 24-Hour Recorder. If you have a “last minute” request, be sure to give us time to notify your student.

Whether a parent/guardian calls or sends a note, the following information must be provided:

- The student’s full name, first and last, grade level, and date of birth, and person’s relation to the student a daytime phone number.
- The date(s) of the absence(s).
- The reason for the absence or early dismissal (illness, medical appointment, funeral, etc.).
- The time and pickup instructions for early dismissal.
- The student must pick up the early dismissal before leaving campus.
- Upon returning to school, the student must obtain a re-admit.
- If the student needs a re-admit, he/she must make arrangements to get in line early.

Early dismissals will be given out before and after school and during lunch.

Pre-arranged Absence: All extended absences must be reported to the Attendance Office.

Vacations during the school year are strongly discouraged. Extended absence is very detrimental to the educational progress of the student. Please try to arrange trips during the summer months and holidays.

Co-Curricular Activity Absence

Co-curricular activities are school-sponsored field trips, performing arts, academic and athletic performances or competitions, and student government related events. Students absent from class due to co-curricular activities should give teachers 24-hour notification. These students are encouraged to minimize their total class absences.

Home and Hospital Instruction

Home and hospital instruction is extended to students who will be absent in excess of six weeks due to long- term illness or doctor’s care. This instruction is limited in scope. A written request accompanied by a physician’s report must be submitted to the Assistant Principal for approval. Request forms may be obtained from the AP’s office.

Automated Caller

Hiram Johnson has an automated phone system to notify students, parents/guardians of absences. Hiram Johnson must have a current home telephone number on file. When the automated attendance caller calls, students need to verify absences with attendance clerk.

Tardy / Truancy Policy

Tardies / Truancies In an effort to combat chronic student absenteeism / tardiness and reduce the resulting disruption to class instruction, Hiram Johnson will employ and enforce the following:

Entrance doors and gates will be locked at 8:20. All students arriving after the bell must enter through the main entrance. Classroom doors will be locked and shut at the beginning of each class period, starting with 2nd Period. Teachers have been asked to not allow students into class after the bell rings without a readmit, a detention slip, or a signed pass.

Campus monitors will issue tardy detentions for students in the hallways without a pass or readmit, and will escort students to the class they are tardy for. Teachers will direct any students arriving at their classroom after the bell without a pass to get a tardy detention slip from the nearest campus monitor, or from S-10B.

Chronic tardiness will result in interventions that may include administrative consequences. Chronic truancy will result in interventions that include administrative consequences, SART Contract, or SARB Hearing.

Student Attendance Review Team (SART)

Students with 3 days or 18 periods of unexcused and unverified absences (truant) will be scheduled for a SART conference to sign an attendance improvement contract. During a SART meeting, the parent/guardian and student will be given notification of student attendance, attendance laws and attendance expectations. Specific strategies (daily attendance verification, communication with teachers) are discussed and expected to be implemented.

Student Attendance Review Board (SARB)

Students who failed to improve after the SART meeting may be referred to the Office of Child and Welfare to schedule a Student Attendance Review Board (SARB) Hearing.

Students' Rights

- To receive a comprehensive education.
- To be informed about school and district rules and regulations pertaining to students.
- To attend school and classes unless removed under due process as specified in the Education Code and District procedures.
- To attend school in an academic and social climate that is free from fear and violence.
- To receive fair and reasonable treatment from those who are responsible for enforcing standards for student contact.

Warrior P.R.I.D.E. (Positive, Respect, Identity, Decide and Empathy)

Hiram Johnson High School is a Positive Behavior Intervention and Supports school, PBIS for short. This means that as a school we endeavor to foster positive behavior in and out of the classroom through positive examples and intermittent positive reinforcement of model behavior. In addition to this level of support, students struggling to meet expectations are provided support in the classroom and out of the classroom through 3 levels of Multi-Tiered Support Systems such as the School Climate Office, the Student Support Center, the Counseling and College and Career Centers and directly by teaching and non-teaching staff.

As educators we understand that students are navigating how to make decisions, place priorities and recover from negative experiences and we hope to help them as they do so to become excellent Hiram Johnson Warriors that both we and they can be proud of. Through the soft skills embedded in Warrior P.R.I.D.E., Hiram Johnson High School is committed to providing students the skills they will need for College and Career after High School, not just academically but also socially and emotionally.

To aid in this effort, the P.R.I.D.E. team has established school wide expectations (examples on the next page) for student conduct in the classrooms, hallways, at school events and more. As part of this program, students and staff can highlight and recognize those demonstrating positive examples of Warrior P.R.I.D.E. behavior through the issuing of PRIDE Tickets. PRIDE Tickets can be earned when students show the Warrior Way of Being Positive, Showing Respect, Building Identity, Making Decisions, and Practicing Empathy. Students can then turn their PRIDE Tickets into the boxes at the Counseling Office and the School Climate Office to be entered to win prizes throughout the year. ASB (Associated Student Body) is also highly involved in the development of what Warrior PRIDE should look like and how to recognize those that demonstrate it.

Dress Code

The California Code of Regulations, Title 5, Section 302 requires that students give proper attention to personal cleanliness and neatness of dress while attending school or school-related activities. The Hiram Johnson administration will determine the appropriateness of student clothing.

Expectations:

- Clothing must not interfere with the instruction or other activities.
- Clothing accessories or markings that advertise obscene, vulgar or discriminatory phrases or symbols, and/or controlled or illegal substances are prohibited.
- Students must wear shoes at all times. No bare feet.

Campus Rules and Regulations

In addition to the items listed in the School Wide Expectations, there are specific rules that are unique to a teacher's classroom, a CPA, or Hiram Johnson High School in general. These rules are necessary for us to ensure the most productive and safe learning environment for our students. Most of these rules can be classified under EC48900 (k).

Videotaping/Picture Taking & Web/Social Media Posting

It is illegal for students to take pictures of school staff or other students without prior approval. Students are prohibited from using cell phones, digital cam, video cam or other picture and sound capturing devices to capture pictures or sounds of staff or students on campus or while participating in a school sponsored activity.

Unauthorized posting or distributing of staff or student pictures or information on websites, personal webpage, Social Media or any other public forum is prohibited even when the posting is done off-campus. If the action involves a school member and it has the potential to disrupt or cause harm on campus, the school administration can and will discipline the student(s). If you see or know that a student is doing this, please report to the administration.

Vandalism

Students are expected to treat all school property with care. Hiram Johnson properties and facilities are for student use not abuse. Students who commit vandalism (graffiti or any other act of destroying, damaging or defacing) on Hiram Johnson property will be subjected to disciplinary actions and/or criminal charges in addition to repair/replacement cost.

Education Code 48904 states the parents of a minor...who willfully cuts, defaces or otherwise injures in any way any property, real or personal belonging to a school district or private or personal property of any school employee shall be liable for all damages so caused by the minor. The District may withhold grades, diplomas or transcripts until the parent and the student have compensated for the damage (EC 48904.b.1).

Dangerous Objects with no Educational use

Students are prohibited from bringing or using or playing with firecrackers, water balloons, laser pointers or any other dangerous objects with no educational codes on school grounds. The items will be confiscated and students will be assigned disciplinary consequences including suspension and expulsion.

Cheating

The consequences for cheating/plagiarism depend on the extenuating circumstances regarding the violation. The student may receive a "U" (Unsatisfactory) citizenship grade, an 'F' grade for the assignment, or an 'F' for the course. The teacher(s) will also notify parents, honor society, athletic coaches, JROTC, Law & Equity instructor, etc.

Closed Campus and Authorized Areas

The SCUSD and Hiram Johnson have adopted a Closed Campus Policy for the safety and well-being of our students. Students must remain on campus during school hours, including lunch, unless they have a valid early dismissal slip. Students who work off campus, and or have fewer than six classes must have a valid Off-Campus Pass (you can get it from the Front Office). The pass and a photo ID must be shown as proper identification to staff and police officers upon request.

Unauthorized Areas: Students are not authorized to park or be in the following areas. Unauthorized trespassing or parking in these areas will result in Suspension. Your vehicle may also be cited and towed at your own expense.

- Students are prohibited from entering the Student Parking Lot or vehicles within the parking lot during instructional hours including lunch unless a valid early dismissal slip or an administrative authorization is obtained.
- Students are prohibited from parking in the Faculty Parking Lot during the school day.
- Unauthorized vehicles occupying a reserved parking space will be cited or towed at the owner's expense.
- The football field and the surrounding grounds inside the fence, the baseball field and the areas adjacent to the east and west of the tennis courts are off limits without teacher/staff supervision.

Selling on Campus

Students are prohibited from selling anything on campus without prior approval from the administration or the Association of Student Body.

Hall Regulations

Students must have a valid pass to be out of class during an instruction time. Students loitering in the hallway without a valid pass are considered to be cutting class. Students are to leave the school grounds immediately after their last class unless they are participating in a supervised, school sponsored activity.

Electronic Devices (EC 48901.5): No school shall permit the possession or use of any electronic device (cell phone, CD/cassette players, iPods, earphones, radios, boom boxes, walkie-talkies, beepers, and electronic games) that operates through the transmission or receipt of radio waves while attending classes, school-sponsored activities or while under the supervision and control of school district employees without the prior consent of the principal or his/her designee. The exception would be electronic signaling devices that are determined by a licensed physician and/or surgeon to be essential for the health of a pupil. Cell phones must be concealed and off during instructional hours.

Hiram Johnson high school is NOT RESPONSIBLE for lost or stolen items. We recommend that students not bring any electronic devices to school.

Surveillance Cameras: Surveillance cameras are located at various locations on campus. The cameras' purpose is to ensure the safety, security and welfare of students and staff. Cameras operate on videotape 24 hours a day.

Campus Monitors

Campus monitors provide additional supervision by patrolling the campus during the instructional day. They may be called upon to remove a disruptive student from class or to escort students who have been fighting to the appropriate Assistant Principal's office. They may enter a classroom to request that a student accompany them to the office.

Definition of Discipline Consequences

If conferencing with a student does not correct inappropriate behavior, disciplinary action such as Teacher Detention, Campus Beautification, Administrative Lunch Detention, In-House Suspension or School Suspension will be assigned. The definitions below outline the different potential consequences.

Teacher Detention

Teachers, by law, may detain a student up to one hour after school per day after making parent contact. Failure to serve teacher detention will result in disciplinary referral to the Assistant Principal.

Campus Beautification

In lieu of suspension, the students may be assigned to Campus Beautification. The students will help keep the campus and cafeteria clean. Failure to serve assigned Campus Beautification will result in more severe consequences.

Administrative Lunch Detention

Administrative Lunch Detention is a more serious consequence than teacher assigned classroom detention. It is an intermediate step between class detention and suspension. Administrative Detention is held daily from and during lunch. Students must report to the detention room by the start of lunch to receive credit. Failure to serve or ejection from an Administrative Detention will result in more severe consequences.

In-House Suspension

The In-House Suspension is an alternative to Out-of-School Suspension. In-House Suspension allows the student to continue to do work while being removed from classes for behavior adjustment. Students are expected to work on class assignments for the duration of their stay. The student's regular teacher(s) need to forward the student's assignments to the In-House teacher. Teachers, Campus Monitors and other school staff may refer a student to the Assistant Principals or Principal for any of the listed infractions. Only the administrator may assign the students to the In-House suspension, unless as specified below.

Teacher Suspension

Education Code 48910 (a) - A teacher may suspend any pupil from class, for any of the acts enumerated in Section 48900, for the day of the suspension and the day following. The teacher

shall immediately report the suspension to the principal of the school and send the pupil to the principal or the designee of the principal for appropriate action. If that action requires the continued presence of the pupil at the school site, the pupil shall be under appropriate supervision, as defined in policies and related regulations adopted by the governing board of the school district. As soon as possible, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension.

Out-of-School Suspension

Suspension is the exclusion of a student from the school for disciplinary reasons for a defined period of time by a school administrator. A Principal or a designee may suspend a student from school for up to five consecutive days. A suspension may be extended under certain conditions.

- A suspended student is excluded from all regular school and all extracurricular activities for the duration of the suspension.
- Teachers may provide a suspended student with class work at his/her own discretion.
- The suspended student is not permitted to be on or near Sacramento City Unified School District campuses without his/her parent and prior approval from the school administration while on suspension.
- The parent or guardian of a student who has been suspended by a teacher may be required to attend a portion of a school day in his or her child's class. (Education Code 48900.1)

Community Service

In some instances, the administration "may require a student to perform community service on school grounds or, with written permission of the parent or guardian of the pupil, off school grounds, during the pupil's non-school hours" instead of a suspension. A "community service may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs" (Education Code 48900.6).

Behavior Hearing

Students who commit a serious offense or chronically violate school rules and policies will be taken to a District behavior hearing to determine if alternative education or school is needed. Students who have accumulated 10 or more days of suspension will be required to go to a Behavior Hearing. Hiram Johnson Students referred to another school must return to the Hearing Office if the student wishes to return to Hiram Johnson.

Expulsion

An expulsion is the removal of a student from all schools in the Sacramento City Unified School District for violating the California Education Code as ordered by the Board of Education. The expulsion is for a defined period of time, but an application for re-admission must be considered within a specified time period. Students committing the following mandatory expulsion (E.C. 48915(c)) violations will be reported to the law enforcement agency and expelled from the school district.

- Sale, possession or furnishing of a firearm.
- Brandishing a knife at another person.
- Selling a controlled substance.
- Sexual assault or sexual battery.
- Possession of Explosives.

The administration may recommend for expulsion for the following offenses:

- Causing serious physical injury to another person, except in self-defense.
- Possession of any knife, explosive, or other dangerous object of no reasonable use to the pupil.
- Unlawful possession of any drug except for the first offense of possession of not more than one ounce of marijuana
- Robbery or extortion
- Assault or battery upon a school employee
