

# WHY JOIN ASSETS?

## CREATE A FAMILY/COMMUNITY

ASSETS partners up with many great community members and departments here in Sacramento. This gives the option for students to actively explore their interests or be open to new opportunities. Leading to everlasting family and community connections and networks in life.

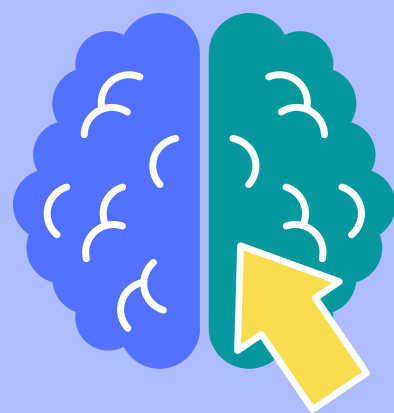

## GET HELP OR HELP OTHERS TOGETHER

With the courses ASSETS offers, this allows students to recover their credits or to get ahead. There are many fun courses taught by many great staff, such as Body Sculpting or Bike Club, you'll be supported every step of the way!

## LEARN NEW SKILLS/HOBBIES

Here at ASSETS you'll learn life skills and create new hobbies. Bringing in your own innovative ideas and sharing with others are welcomed. There are so many skills to learn here to get you in the right direction in life.

## GET THE SERVICES YOU NEED

Our services offered here are for the students to get the help they need. It can be anywhere from tutoring support, college & career planning, and financial resources. These services will help students every step of the way to reach their goals!
