

HIRAM JOHNSON

Although we are not in school, we are still a community learning and supporting each other. We will continue to have a weekly ARROW to help communicate and highlight the fabulous distance learning our students will be experiencing!
School closure has been extended through the end of the academic year on June 11, 2020.

GRADUATION

SENIORS with an F for Q3 in a class needed for graduation will need to work at completing assignments and connecting with teachers to increase your learning and grades!

You NEED to pass your classes in order to graduate! Letters are being sent home to students to which this applies!

NOW IS THE TIME TO STUDY!

Defense of Learning (DoL) will NOT impact graduation status. We encourage and support students who would like to take the opportunity to present their DoL virtually! Please contact your English teacher to make arrangements!

Great news! We have successfully communicated with 95% of our students! That means 1,508 students have been reached through phone calls, emails, and/or Google Classrooms. We still have 77 students to reach, the majority are 9th and 10th graders, to reach. Letters will be sent to their homes this Friday.

RAMADAN CELEBRATION STARTS IN OUR WARRIOR COMMUNITY

This week marks the beginning of the holy month of Ramadan! This year Ramadan is from April 23-May 23. Traditionally during Ramadan, Muslims commemorate the revelation of the Qur'an, and fast during the sunlit hours as a means of learning self-control, gratitude, and compassion for those less fortunate. Ramadan is a month of intense spiritual rejuvenation with a heightened focus on devotion. As Covid-19 is impacting everything, it too has had an impact on Ramadan, making this celebration with family and community challenging.

As part of the Warrior Family your well being and connection to community is important to us. As this is a time of deep personal reflection, we respect that there may be times when you are not present in distance learning and ask that you communicate this with your instructors so that they may work with you during this holy month. If we can facilitate online meetings or provide service of another kind to the community, please reach out to a trusted staff member.
