### PTSA meeting Wednesday Oct 21

Hiram Johnson's Parent Teacher Student Association will hold its next meeting on Wednesday, October 21 at 6pm.

The new PTSA started last year. We are always looking for more people who are willing to step up and help us make Hiram Johnson High School the place our students deserve.

It's important to not only have a place to help raise funds and support our students, the PTSA also provides a place for community voice to be amplified. We need to hear what your experiences have been and how we can improve the school to provide all that our students deserve.

There are board positions that have to be filled, but there are many more

**PTSA**<sup>®</sup>

opportunities to help without holding a board seat. We've had volunteers help with passing out flyers about upcoming meetings or campus activities.

The PTSA is sponsoring a fundraiser at Chipotle at 5738 Folsom Blvd on Monday, November 2nd between 4 - 8 pm. [Here is a link](#) for more information.

### Families and Parents,

Help us keep you informed.

Log on to HiramJohnson.net

Under "Parents" you can check/update/add an email so you get direct contact and updates from Hiram Johnson High School.

### First quarter progress notices released

Mid-quarter grades have been submitted after six weeks of the 1st quarter. As we continue our work on increasing the graduation and A-G completion rates, these grade updates are important data for everyone to digest.

Graduation and A-G are determined by passing classes from designated subject areas. In order to build our

momentum from last year, it is imperative we keep students on track to pass classes successfully.

We understand the challenges of distance learning, but making adjustments for students who are not currently passing is mandatory.

You should have received an email if your student is failing more than 1 class at this point.

### Red Ribbon Week

**Red Ribbon Week** (October 23 – 31) is the oldest and largest drug prevention program in the Nation and a way for people and communities to take a visible stance against drugs. ... Work with student councils and school boards to review policies and advocate for drug and alcohol free school grounds and sporting events.

## Parent-Teacher-Student Association-PTSA

There are people working very diligently to support our Warriors, both students and staff.

We have a PTSA in good standing for the first time in over a decade because of this group's work. While the groups started out small last year, they are powerful supporters of Hiram Johnson High School. We need to increase 15 members by November 15 to be in good standing. Let's shoot for 3 times that. Please sign up as a show of support for those who have committed to this effort!

## SEL Theme: CONFIDENCE

Understanding that emotions and frustrations are running high at this time a strategy to assist students with Confidence could be the following:

- If I get frustrated in this activity, what strategies can I use to calm myself down?

For online learning, ask students to write some ideas first, then offer them a list. Create a class list for students to reference. Then have students choose 3 from their list or the list that was offered to reference in this activity.

Check out the SEL mini lessons sheet [here](#) to get more ideas around encouraging our students to have Confidence that we'll get through this together!

Don't Forget the [Weekly Tech Updates](#)  
**Tech-versations will continue every Monday & Tuesday at 3:00!**

[School Climate Survey Link](#)

Please continue to encourage students to fill out the School Climate Survey the 19th will be the last Monday! Thank you to those who have helped us complete this task! We appreciate your help!!

Teachers please help us advertise Mr. Taylor's Motivated Mondays! Please help us by sharing the information with your students or by putting this information in your GC where students can see it! This is another way we want to encourage our students to log on to DL! This fits into our SEL theme of the month of CONFIDENCE as well which is within Mr. Taylor's message of hope and resilience during this time!

## Outreach

### Motivated Mondays!

Beginning on Monday, October 19th, Mr. Taylor will be holding **#MotivatedMonday** sessions for our **African-American** students at Johnson. These virtual sessions are to support them as they face all the different challenges and changes that are happening in the world and the world around them..

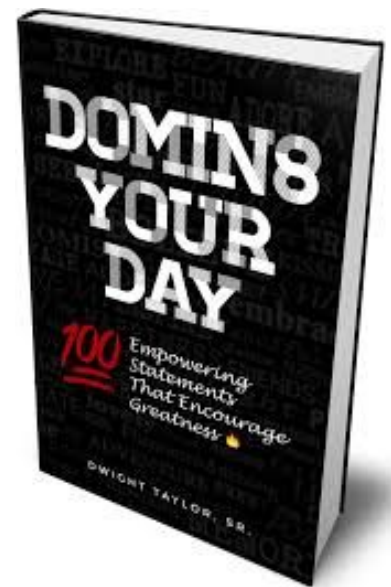

These *45min-60min* sessions are a meaningful and safe space for them to discuss current topics that matter! This safe space will provide them with the opportunity to express their emotions, frustrations, thoughts, questions, concerns, fears, future and more.

**Monday, October 19th is the first session and future sessions are 10/26, 11/2, 11/9, 11/16, 11/30 with more to come!**
