Virtual WASC visit will begin next week

The Western Association of Schools and Colleges will begin its visit next week. Originally scheduled for March 15 & 16, the team will arrive virtually next week and remain with us until it visits each classroom. With on a team of two, it will take them a little longer to make their rounds.

They will also attend meetings with School Site Council, PTSA, ELAC and Department Chairs. On Monday, March 15 and Tuesday, March 16 the visiting team will attend department meetings.

Ray Louie will be leading the visiting WASC team. He has led approximately 30 WASC visits.

Football games start next Saturday

1 scrimmage against Rosemont, 5 league games to conclude by mid-April are on the schedule

Covid testing clinic on campus

The process for re-opening of schools will bring about new processes. Staff has had to report temperatures as they arrive on campus and now, as we begin to allow athletic participation, student-athletes are required to be tested for Covid on a weekly basis.

In an effort to make this as easy as possible for our students, we will be opening a Covid testing center. Individuals will be able to administer the test themselves with the supervision of medical professionals.

The testing service will be located in the Little Theater on Tuesdays from 1:30 - 3 pm and will be open to our staff and possibly members of other campuses.
