CULTURE & CLIMATE

CLIMATE OFFICE REMINDERS

Campus Monitors are meeting every morning from 7:30am to 8:00 am for a morning briefing. Please note that they will be at their normal posts after 8:00am.

Safety team met this week and we are now including Child Development as part of the school safety plan. We are looking at new areas to install 19 new cameras!

More parents are coming into the Climate Office for follow up meetings and this is helping us address behavior! Our goal is to intervene at the district level for bullying prevention. We will continue discussions around this topic.
